I am an American Saddlebred horse. I am a native of the United States. My ancestors include Thoroughbreds, Arabians, Naragansett Pacers, and Standardbreds.

American Saddlebreds have had many jobs. Many years ago, we worked the fields, pulling the plow and the rake. We were the horse that was hooked to the wagon to go to worship services and we were the champion horses at the County Fair. We were also the horse of choice for soldiers to ride in battle and we often pulled the cannons to the front. Then and now, we teach riding lessons; we trail ride; we jump; we barrel race; we pole-bend; we play polo; we are five-gaited, three-gaited, driving, and western pleasure horses.

We are beautiful, kind and willing partners for all of your adventures. Let's see what you and I can do together!!
